

VETERANS MEMORIAL HEALTH CARE FOUNDATION

The Veterans Memorial Health Care Foundation was incorporated on July 26, 1982, for the purpose of raising funds for hospital and local health care needs.

A fifteen member board consisting of volunteers from communities throughout the area the hospital serves make up the Veterans Memorial Health Care Foundation.

The Foundation sponsors three main fund raising promotions every year; the annual Foundation Golf Tournament held the Monday after Father's Day, the Christmas Fantasy held each November, and the annual appeal direct mailing sent each fall to the homes of all those in the communities served by Veterans Memorial Hospital.

Memorials are also greatly appreciated by the Foundation and are often a meaningful, considerate way to remember a loved one who has passed.

The Veterans Memorial Health Care Foundation is a 501(c)(3) by IRS code. Donations to the Foundation are tax deductible. Memorials and donations can be sent to:

“CARING FOR ALL” DONOR WALL

The Veterans Memorial Health Care Foundation unveiled a new donor wall in 2011 to acknowledge all of the generous donors to the hospital since the capital campaign in 1998. This new wall is located in the main entrance lobby, next to the “Access For All” capital campaign donor wall.

This donor wall was designed to publicize and thank those donors who have contributed to the hospital either in one larger donation, or those who have been regular, annual donors.

The wall also recognizes all memorial donations of \$500 or more given in memory of any individual in the community. These memorials may be cumulative for the same person named in a variety of donations to the Foundation, or a lump sum donation from the deceased family or a combination of these. All memorial donations of any amount are also listed in the Memorial Book near the donor wall.

The oak board on the donor wall was constructed by Dr. Louis Bray.
The donor wall was designed and constructed by Jay Erb of Kerndt Monument

All general donations of \$1000 and over are also included on the wall. These may include estates and bequests, or may be cumulative from year to year in the annual appeal sent out to the area community each fall. Once the donor's name is on the wall, the donor may have his or her name added again to the wall once they have reached the next cumulative level of recognition.

Please see the enclosed donor wall recognition form for the various levels of giving. The form may be filled in, telling us exactly how you would like your name or company to appear on the board.

Each year, the donor wall will be updated, adding all of the names who have reached these levels of giving to the Foundation.
